### Glastonbury Twanger Cheddar

This rich, creamy and satisfying cheddar packs all the punch you would expect from a west country cheese lovingly matured for up to 2 years.

### Merry Wyfe

This cheese has a distinctive pungent orange (edible) rind and a rich, creamy texture, a washed-rind cheese made with wyfe of Bath curds which are pressed and then washed in cider every other day for four weeks.

### Bruton Brie

Made with phenomenally rich milk, Brie is rich and creamy with a centre that could be described as voluptuous. The flavour is subtle and somewhat unique.

### Longman Smokeacre

A medium traditionally smoked farm house cheddar. It is slowly smoked over Oak wood chips with a creamy texture.

### Burt's Blue - Semi-Soft

Made using pasteurised cow's milk, it has a semi-soft texture which is punctuated with blue veins, giving it a wonderful depth of flavour and character.
